TEAM GRAPHIC DESIGNER 📍 REMOTE,PITTSBURGH PA

PLAN IT IMPACT (AIP AFFILIATED)

An awesome green energy company in Kansas City, MO reached out to our production team at the Art Institute of Pittsburgh to create a high-end motion graphics commercial about there company and what they do. My job was creating all the icons and imagery/typography so it was able to be animated and minipulated.

- worked with audio files and voice over
- daily meetings and scheduling time,time management,time zone difference
- use of after effects and versatility with multiple adobe programs
- experience with conflicting styles as a team but learned to work beautifully together
